# About Our College

Onkarmal Somani College of Commerce, located in Jodhpur, Rajasthan, is a reputed institution offering quality education in computer applications. With modern infrastructure, skilled faculty, and an industry-focused curriculum, the college fosters academic excellence and prepares students for successful careers.

# About Us B.C.A Course

The Bachelor of Computer Application (BCA) is a dynamic and industry-focused three-year undergraduate program designed to equip students with a strong foundation in computer science and its practical applications. This course blends theoretical concepts with hands-on training in software development, programming languages, web technologies, and data management.
